

Cancellation Policy

We respectfully ask for 24hrs notice if you are unable to attend your appointment. We reserve all appointment times exclusively for patients, dedicating our resources to that person for that time slot.

We pride ourselves on keeping our costs affordable for patients, one way we do that is the efficient use of equipment, professional staff and appointment time. Missed and/or last minute cancellations result in wasted clinical time and cause other patients waiting for appointments to miss out.

Any missed appointments or cancellations with less than 24hrs notice will result in a cancellation charge of \$50 per 30mins of your scheduled appointment. Please note however, if you need to cancel your appointment within 24hrs due to illness or an extenuating circumstance we may take this into consideration.
